Dear Parents/Caregivers,

Our final newsletter for 2014 accompanies children’s reports that they bring home today. At this stage we believe our staffing for 2015 is almost finalised as we are only waiting on one contract to be filled.

After a very complex and detailed process, the classes are now set and there will be no further changes.

**CONGRATULATIONS**

It was a privilege to be part of the Year 7 Graduation Ceremony held on Tuesday night.

It reminded me of just what wonderful young people we have had this year as senior students in the school.

We say farewell to our Year 7 students who have been part of the school and have had an extremely successful year. They will go on to High School and we wish them well for the future and hope that they will leave with happy memories of their time with us. Good luck to all of our graduating students.

**FAREWELL FROM JENNIE**

As we come to the end of another full and productive year I write my final newsletter item as in mid-January I finish the deputy principal role at Mulga Street PS.

I do this with mixed emotions as I leave one position and work place and go on to new opportunities in the next chapter of life. As it is often said as one door closes another opens.

I am taking some leave to be with family over the next few months and then onto some new adventures which may include being part of another school community.

I thank all the amazing students, their families and staff within this community I have had the pleasure to know and work with over the last five years.

I wish you all the very best for your lives and learning journeys into the future.

Thank you and farewell.

Jennie Elliott.
